RE: Community Focus Fund Planning Grant

Dear Mr. McEntyre:

I am pleased to inform you that the Town of Bunker Hill has been awarded a \$50,000 planning grant from our Small Cities and Towns Community Development Block Grant (CDBG) program. This planning grant is for the development of a Downtown Revitalization Plan to address future community service needs in the incorporated limits of the Town of Bunker Hill. The Planning Grant program has proven to be an effective tool for community-based planning and research initiatives that improve local quality of life and economic opportunities.

The Indiana Office of Community and Rural Affairs and I look forward to serving as a partner with you and your team to accomplish your community and economic development goals. In the next several weeks you will receive a grant agreement from our grant support division.

If you have questions please contact Kathleen Weissenberger, Director, Grant Support at 317-232-1703.

Congratulations!

Sincerely,
